Re purchase of a bicycle for the use of the octroi establishment in Tumkur Town Municipality

--oo--

Sir,

With reference to your letter No L 3511 dated 5-11-1941, on the above subject, I have the honor to forward herewith a copy of letter No M C 49/41-42 dated 13-11-1941 received from the President Town Municipal Council,Tumkur and to state as follows -

The strength of the present octroi establishment is noted in the margin* and that none of them is said to have been paid any cycle allowance Two octroi detectives have heen appointed as a temporary measure till the end of the current year and that a cycle allowance of Rs 5/- each per mensem is paid

The purchase of the cycle requested for, is for the use of the octroi staff, when they follow the goods taken out for export from the octroi office and as some of the gates are located at distant places, it would take considerable time for the octroi peons stationed on duty at the octroi office to move about which makes it difficult to cope up with their work The President seeks sanction to the same in the circumstances stated

I request that orders of Government may kindly obtained in the matter

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,

With reference to your office No A6 C 1265/41-42 dated 10-11-1941, regarding the purchase of a bicycle for the use of the octroi branch of this office, I have the honor to note in the margin* the permanent establishment under octroi in this Municipality and to state that none of them is paid any cycle allowance

During this year two octroi defectives are appointed from 1-11-1941 and to each of them a cycle allowance of Rs 5/- is sanctioned But those appointments are temporary lasting only for 1941-42

The cycle in question is for use of the octroi staff when they when go escorting goods taken out for export from the Octroi office One of the gates by name Sira gate is about 1¾ miles from the octroi office and walking to and from that gate will take considerable time with the result the two octroi peons stationed for duty at the octroi office find it difficult to cope with their work Hence the necessity for a cycle

The expenditure will be met from the closing balance of the Municipality

One Octroi mutsaddi on a pay of Rs 30/- per mensem

Sir,

I have the honour to state that a subject for purchasing a Cycle for the use of this office particularly Octroi Department was placed before Municipal Council meeting held on 27-8-41 and it was resolved that a sum of Rs 70/- be sanctioned

I further state that escorting export of dutiable goods up to the limit of Municipal Tollgate, which are far away from this office needs much time for to and fro journey or walk If a cycle is maintained, time can be economised at least one return journey In order to avoid inconvenience caused to parties and loud complaints thereof I feel the necessity of a Cycle

I therefore request you to kindly obtain sanction of Government to the resolution of Municipal Council As there is no provision provided for in the budget, the expenditure will be met out of closing balance A copy of the resolution of Municipal Council meeting dated 27-8-41 is herewith enclosed
